Molly

As promised, in the attached letter Amy and I revised/cleaned up the:

- 1) Last substantive paragraph in cover letter (pages 1-2)
- 2) Aquatic Resources Sections (pages 7-14 – ending with Compensatory Mitigation Section)

We did not touch the rest of the letter.

Also, as my email below indicates, OWOW managers reviewed just the above referenced sections and are OK with them.

Thanks for letting us help with the letter. Please let me know if you have any questions.

Thanks, Palmer

- 1) Last substantive paragraph in cover letter (pages 1-2)
- 2) Aquatic Resources Sections (pages 7-14 – ending with Compensatory Mitigation Section)

These sections are clean and reflect the most recent revisions.

Please ignore all other sections of the letter, other folks are finalizing those sections.
